

КОНСПЕКТ ПО АНГЛИЙСКИ ЕЗИК ЗА 8^{ми} КЛАС

1. Who am I? (Appearance and Character)

- First Impressions: Discuss how much we judge people by their clothes or hair and why this happens.
- Beauty Standards: Analyze how social media (Instagram, TikTok) changes our ideas of "ideal" beauty.
- Role Models: Describe someone you admire and explain if it is because of their looks or their personality.
- Individual Style: Share your opinion on whether it is better to follow trends or to have your own unique style.

2. A Healthy Life (Physical and Mental Well-being)

- Healthy Eating: Discuss why it is difficult for teenagers today to choose healthy food over fast food.
- Sports and Success: Explain what it takes to be a good athlete – from discipline and hard work to self-sacrifice.
- Modern Habits: Talk about how social media and late-night gaming affect our physical health and sleep.
- Happiness: Define what truly makes a person happy – material success or spending time with loved ones?

3. Travel and Discovery (Expanding Your Horizons)

- The Perfect Trip: Describe a memorable journey you have been on and what made it special.
- Mass Tourism: Discuss if thousands of tourists are a blessing or a problem for small, beautiful towns.
- Learning from Travel: Explain why visiting foreign countries and seeing different cultures is essential for young people.
- Dream Destination: If you could travel anywhere right now, where would it be and why?

4. School and Future Dreams (Learning for Life)

- My School Life: Describe your experience in 8th grade – what you enjoyed and what you would change.

- **The Ideal Teacher:** Discuss the most important qualities a great teacher should have today.
- **Skills for the Real World:** Should schools focus more on practical things like managing money and teamwork?
- **My Future Career:** Talk about your ambitions and what kind of job you dream of having in the future.

5. Technology and Communication (The Digital World)

- **Social Media Paradox:** Does the Internet help us make more friends or does it actually make us feel more lonely?
- **Online Safety:** Discuss the risks of the digital age, such as fake news, cyberbullying, and loss of privacy.
- **Phone Addiction:** Explain if you could live for a week without your smartphone and what would be the hardest part.
- **Future Inventions:** Share your thoughts on how robots or Artificial Intelligence (AI) will change our lives in 10 years.

6. Consumerism and Choices (Shopping and Money)

- **The Power of Ads:** Discuss how commercials and influencers persuade us to buy things we don't really need.
- **Online vs. Stores:** Compare the pros and cons of shopping from home versus going to a traditional mall.
- **Smart Spending:** Is it more important to save money for the future or to spend it while we are young?
- **Ethical Shopping:** Should we care if our clothes and gadgets are made in an eco-friendly and fair way?

7. Rules and Growing Up (Ethics and Society)

- **Rules and Freedom:** Why does society need rules, and is it ever justifiable to break them for a "greater good"?
- **Being a Teenager:** Discuss the best and the most challenging parts of being a teenager in today's world.
- **Moral Choices:** Describe a time you had to make a difficult decision. How did you know what was right?
- **Peer Pressure:** Analyze why it is hard to say "No" to friends even when we know they are doing something wrong.

8. Saving the Planet (Our Responsibility)

- **Global Threats:** Discuss the most serious environmental problems today, such as plastic pollution and climate change.
- **Individual Action:** Explain how we can help nature in our daily lives using the "Three R's" (Reduce, Reuse, Recycle).
- **Who is Responsible?** Should big corporations do more for nature, or is the future of the planet up to us?
- **Protecting Wildlife:** Share your opinion on why we should care about endangered animals and wild habitats.

9. Success and Achievement (Ambition and Progress)

- **Defining Success:** Discuss if a successful person is someone with a lot of money or someone who is truly happy.
- **Talent vs. Effort:** Is it more important to be born with a talent or to work hard to become great at something?
- **Learning from Failure:** Explain why making mistakes is an essential part of learning and growing.
- **Big Goals:** Talk about one major thing you want to achieve in your life and how you plan to get there.

10. Creativity and the Human Spirit (Art and Culture)

- **The Necessity of Art:** Discuss why society needs music, movies, and books to survive during difficult times.
- **Architecture and Mood:** Describe an impressive building or city and explain how its design affects our feelings.
- **Preserving Traditions:** Why is it important to keep our old holidays and customs alive in a modern, digital world?
- **My Creative Side:** How do you like to express your own imagination (through style, art, writing, or technology)

1. Ниво A1 (Elementary)

- **Цел:** Изграждане на основи на английския език, запознаване с базови граматични структури и ежедневен речник.
- **Основни теми:** Лична информация, семейство и приятели, дом, ежедневие, хобита и свободни времена, пазаруване.

- Граматика: Сегашно просто време (Present Simple), глагол "съм" (to be), минно просто време (Past Simple), базови модални глаголи (can/can't).

2. Ниво A2 (Pre-Intermediate)

- Цел: Разширяване на езиковите познания, свободно описание на минали събития и бъдещи планове.
- Основни теми: Пътувания, здраве, технологии, образование, професии, храна и ресторанти, природа и околна среда.
- Граматика: Сегашно продължително време (Present Continuous), сравнителна и превъзходна степен на прилагателните, бъдещи времена (going to / will), въведение в сегашно перфектно време (Present Perfect).

3. Ниво B1.1 (Intermediate - Първа част)

- Цел: Навлизане в междинното ниво (Intermediate), което често в българските училища е разделено на B1.1 и B1.2. Фокус върху по-сложни изразни средства, мнения и аргументация.
- Основни теми: Социални медии, житейски ситуации и избори, престъпления и правосъдие, изкуство и забавления, наука и иновации.
- Граматика: Разширена употреба на Present Perfect спрямо Past Simple, условни изречения (First и Second Conditional), пасивен залог (Passive Voice - основни времена), косвена реч (Reported Speech - базови форми).
